CAN DO ATTITUDE AND DETERMINATION - JOSHUA ANDERSON AND HIS VISION

In my four years in New Zealand I have been involved in several industries including Forestry, Yachting, Groundskeeping, Gold Sluicing and Lifeguarding. I was unhappy in my role and workplace and decided to take control over my future. It was time to take a chance and try something new. I carted a tipper trolley, with a car detailing kit around the neighbourhood, door-knocking to promote my services. (in my spare time before and after work).

After some time and digging into my go getter attitude, coupled with extensive networking—MIGHTY Pressure Washing was born and now grooms and details the McVerry-Crawfords Marton trade-in vehicles in preparation for the sales floor.

After receiving my Site-Safe Health and Safety Green-Card, public liability and company registry, I used my knack for practical work and my new abilities to start MIGHTY Pressure Washing. Car detailing led to exterior maintenance cleaning—roof and gutter cleans, window and solar panel cleaning, pressure washing of pathways and driveways and house soft-washing.

After a few months a fully-fledged business servicing the greater Rangitikei area—residential, rural and commercial was created. I also upgraded to industrial equipment and a vehicle that is more fit for the job and I have employed a part time staff member. MIGHTY Pressure Washing is off and running—and growing at a rapid rate.

CORRINNA BUNNING - PROPERTY BROKERS BULLS

As a Real Estate salesperson with Property Brokers Bulls, I was incredibly proud to be a part of Fest-a-Bull. It was an absolute honor to sponsor and present the prestigious Big Bulls Cup to the winning team of the inaugural Teams Relay Competition. Witnessing the community come together for such a vibrant and energetic event was truly special, and I'm thrilled to have contributed to its success. Community spirit is at the heart of what I do, and Fest-a-Bull perfectly exemplified the strong sense of camaraderie that makes Bulls such a wonderful place! Well done Heidi and team.

MEMOR-A-BULL

ALIVE AND WELL IN BULLS

The little Museum that punches above it's weight

Here we are another month down and our visitor numbers are still doing great. Not only local or "kiwi's", but visitors from France, Canada, Iceland, Denmark, Germany, South Africa, Australia and USA to name a few. Wonderful to see the many ethnicities and stories from the other side of the world and more so with the many positive comments on the Bulls Museum.

A great repository for research, especially when you get family members in, requiring info about other connections. Just this morning, we had three members of one family in looking to find their family connections. The lady is 94, and there are still several extended family connections in Bulls.

Bulls School visited us this month and we were lucky enough to have members of the Nelson Leisure Marchers call in and spend time with us. These ladies were a lot of fun and loved all our marching "stuff".

With ANZAC fast approaching the museum has on display various items of interest. The BDHS is proud to work with the Bulls RSA and the Bess of Flockhouse Group, celebrating ANZAC Day.

On Monday 17th March I attended the "breaking" of the ground for the new build at Santoft Domain. This new build, when finished, will provide a suitable facility for groups to use for various events throughout the year. Well done to the Santoft Domain Management Committee for their future foresight.

Have you seen the murals around town? Well done also to Raewyn's team with brightening up the walls. Comments on these, along with our A-Bulls logo are a great talking point with our visitors. Have you experienced seeing these types of murals elsewhere? Maybe overseas? I know I have and they are amazing talking points.

At our recent AGM, the executive remained the same with Kevin Ellery returning as President with James O'Regan as treasurer and Helen Cooper as Secretary. Our subs have remained at \$10 single and \$15 double. Why don't you come and join us?

It is starting to cool off now, and we have available for sale at the museum wrist warmers, banana bed socks, TV slippers, beanies to fit all sizes children to adult. Jerseys to fit 5yr old, a 4-5yr and 2-3yr. We are also making to order our new "Collect-a-Bull" bulls. These can be ordered either at the Bulls Museum or by ringing Helen 021 105 1327. Pine cones are now for sale for \$7 a bag, as is kindling for \$7 box or 3 for \$20. Locals are able to place orders via the Bulls Museum or Helen. The above items are all part of fund-raising for the Bulls Museum.

FROM THE PRINCIPAL'S PEN - TERM 1 2025 - CLIFTON SCHOOL

Welcome – Haere Mai – Alofa – Bula – Hallo – Susadei

Hi All

As I write this we are well into week 8 already of Term One. We have had a great start to the year at Clifton and the children have quickly settled into their work and routines. Recently we took the entire school to Mt Lees Reserve as part of our Whanaungatanga and Enviro Schools. This was a great day to walk through the trees and have fun with Sport Whanganui. A huge thank you to Libby for coming and helping out on this day.

Another great thing some of our kids did was to attend the Sports day in Whanganui led by Sport Whanganui. The kids had a wonderful day and experienced the success of athletics when at other times they don't.

Last week Te Ruma Piwakawaka visited the Bulls Friendship group and sang songs and spent time there. This is always a highlight for the children and something they thoroughly enjoy. It is valuable getting out into the community and giving back.

Over the final week of school we will be doing our annual Easter Bun drop off. At this stage it will take place on Thursday 10th April so please keep your eyes on your letterbox on this day. A huge thank you to Bulls Four Square also for their willingness to have these buns delivered their for us to pick up. This is what a small community is all about. Working together for the betterment of everyone.

Have a great Easter everyone and we look forward to next term.

Ngā Mihi - Adrian Burn - Principal - Clifton School Tumuaki

“Kia Tū, Kia Kaha, Kia Manawanui” - Stand firm, Be Strong, Be your best.

Kia ora e te whānau,

It's hard to believe we are already nearing the end of Term 1! It has been an action-packed term, full of achievements, creativity, and some fantastic sporting moments.

Firstly, we had an amazing time at the Small Schools and Te Kawau Swim Sports competitions. A massive congratulations to Tamara and Akshaya for making it through to the finals – we are so proud of your efforts and the way you represented Sanson School!

Our Sanson kids have truly proven they are Tough Kids! A group of students attended the Manawatū Tough Kid Challenge at Mount Biggs School, where they tackled mud pits, obstacles, and all sorts of physical challenges. It was an awesome day, and a huge thank you to the team at Mount Biggs School for organising such a fantastic event.

We are also looking forward to hosting the Te Kawau Triathlon this week. It will be great to see everyone competing together and supporting each other!

In the classroom, students have been diving into the world of art, exploring the works of Van Gogh, Andy Warhol, Kandinsky, and Tim Burton. The creativity on display has certainly brightened up our classrooms – it's been fantastic to see the students inspired by such a wide range of artistic styles.

A reminder that the school and community pool will be closing soon as the weather cools down. If you are interested in securing a pool key for the 2025/26 season, please get in touch with the school office.

Nga mihi

BULLS SCHOOL

Kia ora koutou,

It's been a super busy term at Bulls School and we have made the most of our summer days! We have welcomed lots of new whānau to our kura and have been keeping super busy!

We have been lucky enough to make the most of our school pool and we have been swimming most days. We had an awesome Camp with our Year 7 & 8's, we have had our senior and junior swimming carnivals, announced our School Leaders, trained some Playground Activity Leaders (PAL's), completed our Aspirational Conversations with our whānau, had a mid-term Whole School Assembly and sent a squad of 70+ students to Manawatū Tough Kids. We have also squeezed in some athletics and have a Junior Cluster Athletics and our Interschool Athletics champs in the coming weeks.

Here are some great camp photos. Thank you to our community for your ongoing support to our kura and tamariki.

FROM THE *Mayor's Desk*

I'd like to thank everyone who contributed to the Child Cancer Foundation fundraiser that I took part in on Saturday, 16 March. Collectively we've raised over \$700, which is very much appreciated by myself and those at the Child Cancer Foundation. Although the fundraiser that Mayors contributed to is over, you can still donate to the foundation if you would like. Please visit their website to see how you can contribute.

Finally, it's nearly time for the Marton Harvest Festival, which is one of the biggest events in the Rangitikei. This year's festival is looking like it will be huge, and I look forward to enjoying the day and celebrating our primary industries and the impact they have on the whole district.

Ngā mihi, Andy Watson, Mayor of Rangitikei.
