ANZAC DAY 2025

YOU HERD IT HERE

APRIL HAS BEEN A BUSY MONTH WITH PLANNING AND PROJECTS STARTING

Sport Whanganui have been working closely with our Tamariki to find out what they want in our lovely township as part of the Push Play initiative in Bulls. One of these suggestions was making our walkways more fun and colourful, this led to working with Rangitikei District Council, The Bulls Trust and our Tamariki to make this happen and we have one alley way completed. Have you seen it yet? What do you think? We're getting ready to paint the other two walkways in Bulls, and we'd love for you to be a part of it. Would you be interested in joining us and contributing to this exciting project?

The Waitatapia Wear-A-Bull Arts handbooks are finished and getting printed, do you want one digitally sent? We only have ten entries per section this year so register soon so you don't miss out. Would you like to sponsor this event or help out with preparations? Please reach out.

Pink Ribbon Fundraising Evening has been set for Thursday 9th of October—raising funds for The Shocking Pink Charity who are on a mission to support young women through their journey with breast cancer, and help them out the other side. We have a styling evening planned this year! It's going to be a goodie!!

Stay warm as the cooler days approach.

BULLS RSA MURAL

Look at what's been happening in Bulls—thanks to Raewyn Turner. The mural on the Bulls RSA is finished. Come and see it. It's amazing and gives honour to our Armed Services personnel. Thank you to Powerco for sponsoring this incred-a-bull mural. Peer for the design and painting of it, and Lilly and Monica for stencilling the poppies.

Teamwork makes the dream work!

ALIVE AND WELL IN BULLS

THE LITTLE MUSEUM THAT PUNCHES ABOVE IT'S WEIGHT

Here we are, now into the month of May and our visitor numbers still very favourable, with visitors from China, Australia, Spain and Canada along with many others both local and overseas. Our numbers so far this month are 354 with eight days to go until the end of April. One common comment this month was, "We pass through Bulls and never stop so this time we decided to stop. A wonderful little museum, so much history."

Whilst working at the museum on Sunday an amazing number of people walked in who belonged to, and were celebrating the Toyota AE82 GT Corolla 40th Anniversary. They met up at Toyota in Palmerston North before coming through to Bulls. The common interest here was of course Chris Amon who was contracted to consult on suspension development for Toyota. An approach to staff at Te Matapihi was made with a request to have a photo shoot in the bus lane as no buses were due. This request was granted and 24 of the 27 cars available lined up, and many photos were taken. The group were very appreciative of the photo opportunity. After Bulls they headed to Manfield.

Cars attending came from as far South as Invercargill and to Auckland in the North. We at the museum are always delighted with any opportunity to put Bulls "on the map". By the time you read this Bull-It-Inn, ANZAC Day will have been and gone. Did you attend any of the services? Bulls or Bess.

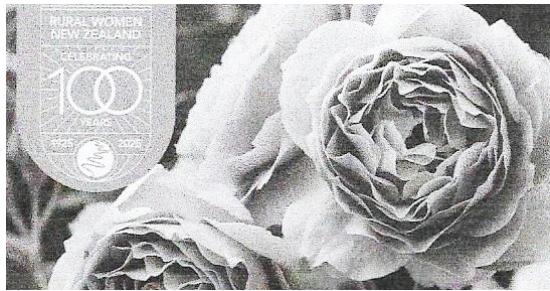

Have you seen the completed mural on the chemist wall? Isn't it fantastic? What about the new purple and red poppies near the RSA. The signs that have been established in the former toilet block along with the murals. Great reading.

Heritage Weekend is May 17th and 18th when all Rangitikei Museums will be open with the theme VE day.

FROM THE PRINCIPAL'S PEN - TERM 1 2025 - CLIFTON SCHOOL

Welcome – Haere Mai – Alofa – Bula – Hallo – Susadei

Hi all. I hope you had a wonderful Easter weekend and ANZAC day.

We hope that all of you within the Bulls area received your Easter buns in the final week of school. The kids loved going out to deliver them and the joy they got from giving back was well worth it. We can tell that over the past year Bulls has grown in number of homes as we only just had enough packets—we will have to order more next year. It was also nice to be able to deliver to those in Scotts Ferry, and a huge thank you to Sasha and Amelia Carnegie for doing this. I would also like to say thank you to Liza and her team at Bulls Four Square for being the go-between for the delivery of the buns. This is what a community is all about—coming together for the benefit of everyone.

Last term was a very busy one at school and I know that this coming term, even though it is shorter, will be just as busy. The children are thoroughly enjoying the Bikes in Schools programme run out of Whanganui. Thank you to Sport Whanganui for facilitating this.

This term is only nine weeks with a couple of long weekends in it. We hope to be out in the community again and sharing what we are doing here at Clifton. There is never a dull moment. Feel free to come and pop in any-time to have a look at the school and see what we are doing.

Some of our committee members time with us is naturally coming to an end over the next eight months—as they move onto different life stages with their tamariki. Now is a great time to join our committee and to learn from this amazing team of wahine. Come along to a committee Hui and find out what it is that we do, and how you can become involved in keeping this special toy library a part of the Bulls community for many more years to come. Without a committee, we wouldn't have a Toy Library.

Please send us a facebook message or email us at admin@bullstoylibrary.co.nz if you would like to find out more about joining our team.

Marton Swim Centre Update

A workshop was held on 10 April where Council received an update on four potential options to repair the swim centre. These included short, medium and long term options, with costs ranging from \$1 million to \$12 million. The engineering specialist outlined details on the four options, where the simplest option would be to restore the swim centre to its condition prior to the partial roof collapse and the most complex option would be to look at an upgrade that would futureproof the facility for around 50 years.

The workshop was recorded and is available to view on our YouTube channel

PĀNUI HĀKINAKINA - SPORTS UPDATES

THE BULLS WĀHINE RECENTLY HELD A JERSEY PRESENTATION WITH SPECIAL GUEST SARAH HIRINI

Following her team's success at Singapore HSBC Sevens as Title winners and League Champions, Sarah touched down in the Manawātū to visit her whānau and meet her new niece.

This brief visit gave a small window for our Wāhine to experience and be in the presence of one of the greatest women's rugby player's in New Zealand. Not only has she achieved the highest accolades in women's rugby, she's also a great advocate for the game as the founder of Hirini Rugby Academy and giving back to small communities like us—as well as delivering influential speeches and just being a chilled, kind and affable person—a true legend! Our girls were so appreciative, it was a distinctive moment for our Bulls Rugby Club to host someone of her calibre.

This night was also shared with our close family and friends. Potluck and home cooked meals, a few beers and the field lights on for the kids to burn some energy before bed—the Clubroom was warm and lively. After all the hard work our club, sponsor's and supporters have put in to get our team started, it was nice to enjoy a relaxing night like this and to be presented with our playing jerseys from Gossy.
